HYDROZENIX

AGRICULTURE | PLUMBING

DRAINAGE | VALVES

Reliable quality for diverse applications

About Us

At HYDROZENIX we believe that strong infrastructure begins with reliable connections. Established in the heart of India's industrial landscape, we are a leading manufacturer and supplier of high-quality PVC pipes & fittings engineered for durability, precision, and performance.

With decades of experience in the piping industry, our mission is to deliver innovative plumbing and irrigation solutions that meet the evolving needs of farmers, developers, and homeowners create a leak-free, long lasting piping system. Our products are crafted using state-of-the-art manufacturing technology, ensuring leak-proof joints, corrosion resistance, and long-lasting service life.
